The new Hillsborough County Seal Flag was raised for the first time atop the new County Court House at 2:30 p.m., Monday, January 11, 1971.

This official seal, designed by William Wagner, Jr. of Manchester, was selected after a County-wide contest held during Hillsborough County's 1969 200th anniversary celebration.

Each segment of the seal's circular disc represents a portion of Hillsborough County's life and history, including a portion of the New Hampshire State Seal to represent that what we do as a county to better ourselves, we also do to better our State.

A regulator, with a gear at its base melding into a wheel, depicts industry within the county and its unity among industry, agriculture and wild life. The corn stalk denotes the importance of agriculture throughout the history of the area, while the Monadnock Mountains represent the strength and peacefulness to be found here.

Designer Wagner said "while designing this seal I felt that each town and city should be represented in some way, so I've done this by placing a star for each in the lower blue field of the seal. The two stars on each side of the date, 1769, indicate that regardless of race, color or creed, all men are welcome; and the single star beneath the regulator represents that we as a county are proud to be a part of our great United States of America.

Wagner lives at 175 Crosbie Street in Manchester with his wife, Jeannette, and their two children Keith 7 and Cheryl 4. He is a member of the Manchester Police Department.

Hillsborough County Executive Committee Meeting – December 22,  
1969 Sheraton Wayfarer, Bedford, N.H.

Vice-Chairman Daniel Healy called the meeting to order at 5:45  
P.M.

The Clerk called the roll and the following members were present:  
Barker, Dubois, Bragdon, Healey, Bruton, Cullity, Montplaisir, Clancy,  
LaFrance and Aucella. In addition to the Executive Committee,  
Commissioners Beaulieu, Walsh and Business Manager Roulx were also  
present.

Item 1. Comm. Beaulieu asked Mr. Roulx to explain the 1969  
budget figures due November 30, 1969. Mr. Roulx indicated that  
although Moore General Hospital faced a deficiency in their revenue  
estimate he felt that overall revenue for 1969 would just about equal  
the original estimates. He also indicated that expenditures would be less  
than those appropriated by approximately \$150,000.

Item 2. Mr. Roulx then indicated on the Court House building  
funds after all expenses had been paid there will be approximately  
\$80,000. left. Mr. Roulx also explained to the committee that the  
Board of Commissioners were attempting to rent a basement area in the  
Court House to the General Services Administration and that to finish  
this area would cost in the vicinity of \$35 to \$45,000. Mr. Roulx said  
that a proposal had been mailed last Friday to GSA requesting four  
dollars a square foot for approximately 3100 square feet of space.  
Discussion then ensued amongst members of the committee.  
Representative Bruton moved seconded by Representative Dubois for  
the Board to continue their negotiations on renting this space in the  
basement of the new Court House. They also felt that this was a very  
worthwhile endeavor and would produce dividends. Vote unanimous.

Item 3. A general discussion on the parking for the new Court House ensued with Commissioner Walsh, Commissioner Beaulieu and Mr. Roulx all joining in an explanation of what had happened.

In the original agreement with the city of Manchester they had promised the County of Hillsborough to provide a minimum of 100 and a maximum of 200 spaces to be paid by the County at a reasonable cost. Comm. Walsh indicated that the reasonable cost that the city is sticking to is \$1.20 per day per parking place or for a total for the year of \$31,000. In addition to that it was brought out that many of the parking places are not available even though we are paying because of the general public utilizing these, and the failure of the city of Manchester to have the enforcement capabilities to keep these places open. After much discussion a motion was made by Representative Bruton seconded by Representative Barker to discontinue the present County paid parking in the Merrimack Parking lot as of December 31, 1969. Vote unanimous.

Item 4. Mr. Roulx then reminded the committee of the communication from the city of Manchester offering a tentative solution in a land swap. The Board indicated that they would contact the city of Manchester after the first of the year to enter in meaningful negotiations with the city in this regard.

Item 5. Chairman then recognized Representative Barker who presented the County Executive Committee with an engraved gavel in memory of our deceased Chairman John LaTour of Nashua. Mr. Bruton then made a motion that the entire Executive Committee be on record in thanking Mrs. Barker for her very thoughtful gift. Seconded by Representative Cullity, vote unanimous.

No further business to come before the meeting, Chairman Healey adjourned at 6:45 P.M.

Orson Bragdon, Clerk

Meeting adjourned at 4 P.M.

Next Meeting - Feb. 17, 1970, at County Farm at 12:30.

February 17, 1970

To Whom It May Concern:

The Hillsborough County Executive Committee at a duly called meeting on February 17, 1970, voted to approve the request of the Board of Commissioners to make a short term borrowing of \$300,000 from the Bank of New Hampshire, National Association, from February 18, 1970 to March 2, 1970. Said loan to be repaid from proceeds of the

Tax Anticipation Notes being sold on February 26, 1970 in the amount of \$500,000.

Orson Bragdon, Clerk

MEETING OF THE HILLSBOROUGH COUNTY  
EXECUTIVE COMMITTEE

Hillsborough County Home, Grasmere, N.H.

February 17, 1970

Meeting called to order at 1:50 P.M. by Chairman Dan Healy. Upon roll call by the clerk, all members were recorded as being present. Vice-Chairman Healy then called upon Mr. C. Edward Bourassa, the Hillsborough County Register of Probate to explain his budget, Code 7, to the executive committee. His total 1970 budget request was \$59,700. Mr. Bourassa then proceeded to explain each item on the budget. There were several questions on the travel item and wages. Mr. Bourassa then offered a photograph of a site of land in Merrimack which he said could be purchased for a new County building and asked that the committee look over his present quarters in Nashua in regards to the request for \$10,000. capital outlay. He was then excused from the meeting. Code 5, Register of Deeds budget in the amount of \$37,800. was then introduced by V/C Healy. There to explain it was Mr. Maltais of the Register of Deeds. The major increase in the Register of Deeds budget was the \$18,000 request for changing over the deeds office to microfilm. Mr. Maltais indicated that if nothing else it was needed for safety and protection in case of a disaster at the Nashua Court House. After many questions by the executive committee, Mr. Maltais was thanked and excused from the meeting.

Sheriff Shea was then asked by V/C Healy to explain the budget for the Sheriff's office, code 3-3 in the amount of \$111,850. The Sheriff indicated that he wanted a \$35.00 a week raise. He also indicated that he would like to buy the professional liability insurance to cover the deputies at a cost of \$240.00. Sheriff Shea also indicated that five extra deputies had to be hired to work as Court Officers because of the increase courts in the new building. The net income from the Sheriff's office for the last six months of 1969 was indicated to be \$18,900. Sheriff Shea was then called upon by the V/C Healy to explain the budget, code 27 Hillsborough County Jail in the amount of \$250,300. Sheriff Shea Explained that at present his inside guards were getting \$20.00 per day and he indicated that he would like to pay them \$25.00 per day, the same rate as the outside officers are getting at the present time. There are twenty-two men employed at the County Jail plus one full time cook and one part time cook. He indicated that he would need \$21,000. to complete those capital expenditures that have been started in 1969, but have not been finished as of the first of the year. The committee then asked the sheriff to present at one of our future

meetings for a more detailed explanation of his request for capital outlay expenditures which amounted to \$50,000. Sheriff Shea was thanked and excused from the meeting.

Vice Chairman then indicated that he would appreciate as would all the members of the Executive Committee if the Board of Commissioners would go over the individual departments budgets prior to their presentation to the Executive committee and make their recommendations. Chairman Beaulieu indicated they had gone over, however were leaving the decision to the executive committee. V/C Healy indicated that he thought and his committee felt that the Board of Commissioners would have more indepth knowledge of the facts behind the budgets and therefore be able to make a more intelligent recommendation than the committee could from just a few brief comments that might be heard at the executive committee meetings. The Board indicated that they would do so in the future. Upon a request from the Board of Commissioners, representative Bruton, moved, seconded by Representative LaFrance that the commissioners be allowed to negotiate a loan of \$300,000 from Feb. 17, to March 2, in anticipation of the receipt of money from tax anticipation notes in the amount of \$500,000. to be sold on that date. Said loan to be liquidated upon receipt of the Tax anticipation note money. Unanimously adopted.

Mr. Cullity moved that we adjourn, seconded by Representative Dubois, until next Tuesday at 12:30 P.M. Motion carried. Adjourned at 4:30 P.M.

Respectfully submitted by:  
Orson Bragdon, Clerk

Hillsborough Executive Committee Meeting  
August 3, 1970 - 7:30 P.M.

At Commissioner's Office, Court House, Manchester, N.H.

Reps. Healy, Cullity, Montplaisir, Bruton, Bragdon, Clancy, Aucella and Drabinowicz present. Also Commissioner Walsh and Business Manager Roulx.

Commissioner asked to borrow \$800,000, in anticipation of taxes. Motion made by Rep. Bruton, seconded by Drabinowicz. Passed unanimously.

Business Manager Roulx explained error in County budget. Money to be raised by County Tax increased by \$19,527.58.

Rep. Cullity moved to adjourn at 8:15 P.M. Seconded by Aucilla. Passed unanimously.

Orson Bragdon, Clerk

Hillsborough County Executive Committee Meeting  
"88" Restaurant - December 14, 1970

7:00 P.M. Chairman Healy called meeting to order.

Clerk called roll: LaFrance, Montplaisir, Healy, Clancy, Bruton, Aucella, Drabinowicz, Cullity and Bragdon.

Quorum declared by Chairman.

Comm. Lobacki and Mr. Roulx at meeting.

Item 1. Mr. Healy then passed out a proposal from the County Commissioners recommending a change from the calendar to a fiscal year accounting basis. The prime reason being that interest costs during 1970 were close to 3% compared with a percent of .5 in 1967.

Rep. Bruton questioned how much more an 18 month budget would increase the property tax in Manchester. After several questions it was voted to have Mr. Roulx prepare an analysis of the increase based on 1970 budget prorated on an 18 month basis.

Item 2. Rep. Cullity asked for an explanation on the rental agreement with the Manchester Bank. Comm. Lobacki and Mr. Roulx then thoroughly explained the transaction. There remains a bill of \$11,523. for alterations which carries no interest and can be repaid in 24 months, only to start when the space is rerented.

It was the general consensus of the board to delay payment, even though it was possible to pay it within the 1970 appropriations. They so instructed the Commissioners because if we were to go on an 18 month budget, it would be better to have as much surplus to apply against the increased cost.

No further business, meeting adjourned at 7:40 P.M.

Orson Bragdon, Clerk

## COUNTY COMMISSIONERS YEARLY REPORT

The year 1970 may well be considered a milestone for Hillsborough County in its' 200 year history.

All services that have been provided through the years by capable and experienced officers and employees from Deeds, Probate, Sheriff's Department Superior Court, Welfare, County Home and Hospital continued, but of particular significance was that the Cities and Towns began to sit down together and talk and discuss common problems and try to find solutions through the coordinating efforts of this Board.

The Hillsborough County Communications Center finally became a reality after many frustrating months, and early this spring will be in operation. This is a direct result of cooperation between all law enforcement agencies and represents the first "new County Service" in many years.

We were also fortunate in receiving a grant to fund a Police Systems Study of Hillsborough County which will be reported on in early April 1971. Both this and the Communications Center has been made possible by a lot of hard work of officials and people throughout the County, our deepest appreciation to all of you.

As we always have strived to do, 1970 proved to be successful financially and we ended the year with a Surplus of over \$360,000. This would not be possible without the extreme dedication and conscientious efforts of all the many department heads that make the "Hillsborough Family".

Your Board of Commissioners continue their search to find better and more economical ways of operating your County, but never losing sight of the services that everyone should have. Efforts to utilize our present institutions to provide service to more people will occupy a major portion of our efforts during 1971.

Our thanks to all County officials, Superintendents, and all County Employees for their cooperation and assistance during the year and to the City and Town officials who have given us their cooperation and help.

To the Honorable Board of Commissioners  
of Hillsborough County

The following is submitted as the report of the County Attorney and the Assistant County Attorney for the period commencing January 1, 1970 and terminating December 31, 1970.

There were a total of six hundred and ninety five Indictments and Waivers brought before the Court and settled. Many of these Indictments resulted in trials. In addition, one hundred and seventy six appeals from lower Courts were presented to the Court and Final dispositions were reached thereon.

Hearings were held under the Uniform Reciprocal Enforcement of Support Act in sixty nine separate cases.

Investigations were made into thirty vehicular fatal accidents in which thirty three people were killed.

Investigations were also made into fatal accidents of a non-vehicular nature and these are as follows:

There were eight fatal fires, six deaths by drowning, one carbon monoxide poisoning, five fatal falls, two industrial accidents, three deaths by suffocation, one accidental death from a self-administered injection. There were extensive investigations made into three deaths resulting from an overdose of drugs.

In January of 1970, an investigation was made into the shooting death of one Cheryl Campbell in Manchester. This case remains open.

In August of 1970 a very thorough investigation was made into the death of one Robert Shyska in Nashua and the final determination was accidental death by gunshot wounds.

On July 15, 1970 one Pauline P. Poliquin of Nashua was murdered in Nashua by one Stanley Oakes who committed suicide immediately thereafter.

An investigation was made into the death of one Rita Fosburgh in Manchester and it was determined that she bled to death after a fall in her home.

There were also routine investigations made into the death of one man by electrical burns and the death of another who was crushed under a farm tractor.

Indictments were obtained against five young individuals as a result of the death of one Daniel Moore in Manchester on November 10, 1970. These indictments charge the defendants with committing first degree manslaughter and the cases are still pending.

There were numerous other matters brought to the attention of this office during this period and to the best of our knowledge all have been settled amicably.

Respectfully submitted  
James A. Connor  
County Attorney  
Robert E. Earley, Jr.  
Assistant County Attorney

## SUPERINTENDENTS REPORT HILLSBOROUGH COUNTY HOME AND FARM

January 31, 1971

To the Honorable Board of Commissioners,  
Hillsborough County:

Gentlemen:

It is a pleasure for me to submit my annual report of the Hillsborough County Home and Farm. During the year 1970, we continued our program of modernization and improvement within the Institution. This has created a more pleasant atmosphere for the residents and made the work of the attendants easier by improving our facilities.

We have installed new radiator, float thermostatic and bucket traps in the different buildings to cut down our using water and to benefit from the boiler return water treatment. A complete renovation of the Sewerage Treatment Plant was completed. The chimney was lowered and cleaned for safety purposes by the Custodis Co. of New York. A new electric hot water tank was installed in Ward 3A. Ward 3 was panelled and baseboard heat was installed. The small Dorm was panelled also. A new food service counter and steam table were built in the big dining room. In the butcher shop, double stainless steel sinks were installed.

All the above was accomplished with the loyalty and cooperation of the County Commissioners, the members of the Executive Committee and County Delegation. I would like to express my grateful appreciation and thanks to all the members of my staff, our Chaplains and Physician, Mr. Ralph Card, Superintendent of the Moore General Hospital and everyone connected in helping to carry out our program and improvements.

We are grateful to the Hillsborough County Guild members who have made our elderly people very happy by sponsoring parties and socials. We wish to thank also the Manchester Hairdressers Association for all the time spent beautifying our Residents. Also to all Fraternal and Civic Organizations that have been so kind to our elderly women and men throughout the year, we extend our heartfelt appreciation.

Respectfully submitted,

Thomas L. Bouchard, Administrator

## PROTESTANT CHAPLAIN'S REPORT

February 13, 1971

To the Honorable Board of Commissioners Hillsborough County:

Gentlemen:

This past year has been a very rewarding and fruitful year for me personally. I have been involved as much as I can in visitation at the Moore General Hospital; visitation and weekly services at the County Home and I have done counselling and have conducted weekly Bible Studies with several of the men at the House of Correction.

I have come to realize this year more than ever the tremendous need for a Chaplain at the County Farm.

Our church is still open to the possibility of calling an Assistant Pastor who could give himself primarily to this position. Of course, this man would have to have a real heart for people and be qualified for this kind of ministry. As previously mentioned we hold weekly services at the County Home with our Women's Group and some of our men helping with the music and occasionally the speaking. When we have special speakers at our church we have them speak at the County Farm.

We will continue to provide spiritual counselling for the entire County Farm to the best of our ability.

I look forward to knowing the staff, directors, nurses, aides and all connected with the County Farm and will work very closely with all concreded. My heart goes out to those dear folk who have been neglected by so many of their friends, relatives and neighbors and I sincerely appreciate this opportunity to be of service.

Sincerely,  
Rev. William H. Stone, Pastor  
Protestant Chaplain

## CATHOLIC CHAPLAIN'S REPORT

To the Honorable Commissioners of Hillsborough County:

Gentlemen:

After a first complete year of service as Catholic Chaplain at the Hillsborough County Institutions, I proudly authorize myself to present a satisfactory report on my various spiritual duties towards the many hundred patients and residents under my spiritual charge.

Although I am also a regular Chaplain at the Villa Augustina, I succeeded in making my daily pastoral visits to the Moore General Hospital and its Annex, and at the County Home, even during the summer season, following a regular schedule which we can find in every department of the buildings.

At the County Home, the Celebration of the Eucharist is being enacted every Sunday, along with every Holy Day of Obligation and National Holiday. During the Lenten Season, once a week, a special penitential ceremony is offered. About twelve different groups of singers and guitar players have accepted my invitation for the celebration of Folk Masses, much to the satisfaction and appreciation of the residents. Other special religious services, such as the traditional blessing of the Sick on February 3rd, and the distribution of Ashes were likewise held.

I regret to say that my priestly activities at the Caron Building were limited to a Monthly Mass, because of actual circumstances beyond human control. I tried to compensate by a closer attentiveness to the patients. I am thankful in particular, to Mr. Ralph Card for having made it possible to have stereophonic religious music for our monthly Celebration of the Mass, such as we have also, now, at the County Home on ordinary Sundays; whenever I cannot have groups of singers and musicians from the outside groups. My great appreciation also to Mrs. Gunther, the principal of the School of Practical Nursing, for allowing her young students to sing occasionally at our Mass. The patients simply enjoy their presence.

What I consider a very important spiritual improvement, the Communal Conferring of the Sacrament of the Anointing of the Sick, during the celebration of the Mass. After two months of preparation, all patients at the Caron Building and at the County Home voluntarily accepted this great spiritual comfort of Religion. At the County Home, the communal celebration of the Sacrament of the Sick, gave us a splendid occasion, for the first time, to have Department Masses.

As for the residents of the House of Correction, I humbly admit that I could not do much yet, although I contacted quite a few during their working hours. But soon, thanks to the "spiritual task force of lay

apostles" which I am organizing, it will be possible for me to offer them a regular special service, such as a monthly Forum. This spiritual task force is being sponsored by the Knights of Columbus of Goffstown and Pinardville, and will also undertake a monthly spiritual program at the Caron Building and at the County Home. This program will include good reading program, apostleship of prayer, spiritual care of the blind, etc.

On January 4, 1971, the Vicar General of the Diocese, Msgr. Thomas Hansberry, in the name of the Bishop, sent to you a communique, expressing the strong desire of providing the chaplain an office and a place of reservation of the Blessed Sacrament. Needless to say, I shall be most grateful when this is achieved, for it will enable the Chaplain for a greater efficiency in his work and will also make it possible for the patients to receive Holy Communion more frequently and for the dying to be administered the Holy Viaticum.

I wish to offer the Honorable Commissioners, my sincere appreciation for letting the doors open always to the full exercise of the Chaplain's spiritual duties. God Bless your high Christian Spirit. I am also thankful in a special way to Mr. Thomas L. Bouchard, Mr. George J. Hurley, Mr. Ralph F. Card, and Mr. Denis Casey for their most wonderful spirit of brotherly cooperation. I always felt so happy to be seconded by them in my many endeavors in favor of my "parishioners." My heartfelt gratitude goes also to the Nurses, the Orderlies, the Nurses' Aids, the Guards, the Student Nurses, the office girls, and all others upon whom I must necessarily rely for the successful accomplishment of my responsibilities. For the second time this last Christmas, I made it an agreeable duty to offer a Special Mass of Thanksgiving to you all, "good and faithful servants of the Lord" . . .

Devotedly yours, in the love of Christ for the poor, the elderly people, the sick and the disinherited,

(Rev.) Marcel Genereux  
Catholic Chaplain

## REPORT OF THE MOORE GENERAL HOSPITAL

December 31, 1970

To: The Honorable Board of Commissioners,  
Hillsborough County, New Hampshire

Gentlemen:

I am forwarding herewith my annual report of the Moore General Hospital for the year ending December 31, 1970

In the interest of best possible care of patients in the hospital and Caron building new equipment has been procured and renovations have been carried out.

Fire and Security alarms have been installed for the safety of patients and employees. The Clinical Laboratory has been relocated to a larger area and new equipment has been purchased to meet with the modern and ever changing methods of laboratory techniques. This modern clinical laboratory has made it possible to carry out laboratory studies with better skill and accuracy. A program of regular laboratory studies has been set up for Caron building patients which has contributed to improvement in the care of these patients. Several changes have been made in the X-Ray department. An overhead and control panel has been installed to complement the x-ray table which was installed in 1969. An automatic processor to replace hand processing has been installed. With relocation of the clinical laboratory the x-ray department now has room for expansion including office space and a waiting room for x-ray patients.

A Pharm-Stat unit is now in operation for use when the pharmacy is not open. Two open porches in Caron building have been renovated to allow for patient use on a year round basis. These porches have contributed to the diversional activities provided for patients.

Thirteen fire doors have been installed in Caron building.

An area in the basement of the Caron building has been remodeled into a kitchen for use by patients in the occupational program. The equipment for this kitchen was donated by friends of the Caron building.

Mrs. Irene Foss, C.O.T.A. (Certified Occupational Therapy Assistant) has shown outstanding ability at assisting Caron patients in activities of daily living, crafts and entertainment. Special recognition should be given to members of the Moore General Hospital Associates who volunteer time to assist in the occupational therapy program, raise

funds to purchase special equipment and fund a Marion G. Lamy Scholarship for a student in the School of Practical Nursing. The Associates also sponsor and assist with a "Vol-Teen" program during the summer months. 500 hours were contributed to the hospital by these teen-agers enrolled in the program.

Reverend Marcel Genereux and Reverend William Stone have conducted services in the recreation room of the Caron building each month which has brought religious enrichment to the patients. The altar and all religious articles used in these services have been donated by the friends of the Caron building.

The School of Practical Nursing has graduated its last class of students in the fifteen month program and has accepted its first class of twenty students in the new twelve month program.

On behalf of the staff and myself I wish to express our deep appreciation to the Board of County Commissioners, Mr. Thomas Bouchard, superintendent of the County Home and Farm, the doctors on the Medical and Surgical Staffs and to all the employees of the hospital whose joint efforts made the success of the hospital possible.

Respectfully submitted,  
Ralph F. Card, Administrator

## ACTIVITY PROGRAM - CARON BUILDING

### OCCUPATIONAL THERAPY

JULY 1969 - December 1970

#### GROUP ACTIVITIES - 6857 patient hours.

Women's projects: simple sewing, quilts, wool animals, rug hooking, embroidery, knitting, Christmas decorations.

Men's projects: carpentry, chair caning, wreaths, tile items, painting, leather work, tin can curling, doll's furniture.

Hospital projects: The men built and finished four bookcases for the recreation room on Caron II, a bookcase for the office Caron I and one for a patient. Those that are able are painting all the wooden chairs for the new porches. The women made 25 bibs for patients on the two floors and 37 bandages, (2 inches x 60 inches), have been knit for the leper colony in South Carolina.

#### GROUP RECREATION - 3923 patient hours

Movies provided once a month by the Manchester JayCees. They will continue through 1971.

Music played by Mrs. Sherman Bartlett once a month. She will continue to give this pleasure during 1971 to the patients.

Bingo every Wednesday afternoon. Prizes and volunteers sponsored by the Hospital Associates. Sugar free refreshments have been donated by Pepsi Cola and Cott Bottling of Manchester.

Slides shown by interested members of the community whenever possible, at least once a month.

#### VOLUNTEERS - 883 hours.

Mostly donated by Members of the Hospital Associates but also by other interested people.

#### THERAPEUTIC EXERCISES - 631 hours.

Therapeutic exercises and instruction in activities of daily living.

## FINANCES

\$200.00 a year to buy supplies and equipment provided by Mr. Card. This averages about \$1.74 per patient but has been sufficient because the finished projects of the patients have been sold and the money used to replenish supplies and replace equipment.

DONATIONS - from businesses, organizations, and private individuals.

1. Loudspeaker system for recreation room, Caron II, for use during church service, bingo, showing of slides, etc.
2. Lumber for bookcases and books to fill them.
3. Refrigerator and stove for patient's kitchen plus most of the small cooking equipment.
4. A new moving picture projector.
5. Generous amounts of wool, sewing material, leather, etc.
6. Looms, rug frames, tools, etc.

## SHERIFF'S REPORT

The Hillsborough County Sheriff's Department has many and varied duties. They come under two distinct sections, the Sheriff's Office and the County Jail.

The Sheriff's Office handles all finances for the whole operation. It processes all of the Civil services originating from the district courts for defendants residing in the Hillsborough County area and all Civil and Criminal services coming from the Hillsborough County Superior Court and other Superior Courts within the State for like defendants. This means taking care of Civil Processes from about 150 attorneys in Manchester, about 80 in Nashua and about 20 or more around the County and State, as well as writs originating in all other states in the country. This work includes service of summons and complaints, probate matters, subpoenas, all court orders, divorces, legal separations, injunctions, trustee process, eviction notices leading up to the actual physical removal of tenants in some instances.

Responsibility of the arrest of all persons secretly indicted by the Grand Jury at each term of Superior Court also arrests of civil violators. A total of 323 cases were returned at the last term of each term of court. Our work also includes arresting persons in arrears on support payments, Sheriff's sales, collections on executions issued by the courts and sales processed on writs of Mesne Process. The Sheriff's Office collected in excess of \$50,000.00 in fees for civil process in 1970.

The amount of arrearages collected for the N.H. Probation in 1970 amounted to approximately \$13,682. Our department receives no remuneration on these cases. This amount does not include money paid direct to the probation department thru our efforts. Well over 100 such violators were arrested by us in 1970. This figure does not included cases worked on and miles travelled where we were unable to locate the defendants and the warrants had to be returned to the courts. There were approximately 150 of such cases last year.

Thousands of miles were traveled in order to pick up fugitives and return them to this State. This included trips to the State of Florida, twice, Texas, Arizona, California, New York, Maine, Massachusetts, Rhode Island, Connecticut, New Jersey, Maryland, Delaware and Virginia.

The work of Court Bailiff also comes under the jurisdiction of the Sheriff's office. At the present time we have (4) such deputies working full time and (2) part time deputies who are on call. It is their duty to maintain law and order in the court rooms, supervise the reporting in and swearing in of the Grand Jury and Petit Juries, accompanying them

on views when the case demands it, and to accompany them to meals at a nearby restaurant when the jury is tied upon a case. In cases involving murder they are required to remain away from their families and stay at a hotel with the jury at a hotel until the case is terminated.

The jail is also a busy operation. In the year 1970 we handled a total of 497 prisoners. The largest number in one day was 55, the lowest 23, or an average of 43.

We have made extensive repairs. Installed new toilets and lights and have tried hard to improve conditions generally with regard to cleanliness, food , recreation, etc. (we even had 3 marriages). The improvements have entailed thousands of dollars but conditions were such that these had to be made.

Each day prisoners have to be transported back and forth from the jail and the House of Correction in Grasmere to the District and Superior Courts, the New Hampshire Hospital and New Hampshire State Prison.

The income for the year 1970 for the boarding of prisoners from other counties was \$8,560.75.

As the saying goes, "words cannot express all that was done", but we tried hard and will continue to do all we possibly can to improve conditions as warranted.

## 1970 REPORT OF THE HILLSBOROUGH COUNTY COOPERATIVE EXTENSION SERVICE

To: The Honorable Board of Hillsborough County Commissioners

Gentlemen:

It is my pleasure to submit this report for the Cooperative Extension Service Staff.

The Staff consists of a County Agent, Perley Colby, a full time Home Economist, (Harriet Nissen) and a half-time Home Economist (Dorothy Wood), two full time 4-H Youth Development Agents (Charles Buck and Elizabeth Prough) and full time County Forester (Robert Breck). The office is located in the basement of the Post Office Building in Milford, N.H.

At one time the Cooperative Extension Program was considered a rural program. That may have been the case when the program started, but the program has changed along with the needs of the people. Today the Extension Programs are in operation in every town or city in the county and during the course of the year, many thousands of people call on Extension Agents for assistance or advice.

This past year the County Agent carried on organized Programs with fruit and vegetables growers and also arranged short courses on small engine repair, home gardening, and estate planning. In addition, I worked with Conservation Commissions, Ecology groups, Town and City Officials and a host of other groups and organizations. In addition, about one-third of my time was spent in making visits or answering calls from rural and city homeowners on all kinds of problems.

In the regular adult Home Economics Program, there were 50 Extension Groups with a total membership of over 1,700. In their programs they received training to make them better informed consumers and competent homemakers. Many were trained as leaders who in turn taught projects to thousands who attended the lessons.

The Expanded Nutrition Program, also comes under the supervision of the Home Economist. This program is in operation with low income families in Manchester and Nashua. 17 trained aides and 2 supervisors worked with over 800 families in the cities. While this is a special Federal Funded program, recruitment and training of the aides, and preparation of special recipes is done by the County Home Economist.

4-H is an out of school educational program for all youth in Hillsborough County. The standard 4-H Programs are expanding in scope each year with over 1,500 boys and girls enrolled in the regular program and about 800 other young people that the 4-H agents worked with last year.

A program of public assistance to woodland owners is carried on by the County Forester. During the year, 129 owners were assisted on timber management, involving 5432 acres, also 23 management plans were completed and over 28,800 feet of fire access road constructed. In addition the County Forester made 488 other contacts with homeowners, youth groups, Town Conservation Commissions, Planning Boards and Conservation Land Trusts and others interested in a better understanding of land use.

If you have any questions concerning Cooperative Extension Service Programs, feel free to write, call or stop in at the office for answers.

Perley D. Colby  
County Agricultural Agent
